

# DOES YOUR CHILD STRUGGLE WITH LEARNING ISSUES OR HAVE A DISABILITY?

Do you have questions about how to get additional supports for your child at school? Do you understand what an IEP or special education services should look like? Would you like to have new strategies for communicating with your child's teachers? Come get answers to your questions and learn how to be partners on the special education team at this workshop for parents.

**Weds, Jan 18, 2017 6:30 PM to 8:00 PM**

**"How to Build an Effective  
IEP for Your Child"**
